

# INNOVATION EXCHANGE

## Conversations Launching Change

Discussions targeted to Local Agencies, Tribes  
and Federal Land Management Agencies Programs

### Every Day Counts for Local Agencies Thursday, October 1, 2020

From feedback boxes, to brainstorm sessions, to two o'clock in the morning wakeups, ideas can come from anywhere at any time. But great ideas can't live without a little encouragement especially in the workplace. Let us help you turn on the light bulb for some transportation problem-solving in the next Innovation Exchange.

Join the Center for Local Aid Support and your peers as we provide an overview of the Every Day Counts-6 and highlight the benefits of fostering an innovation culture in your local agency.
