

## Federal Highway Administration’s Mobile Asphalt Technology Center and the California Department of Transportation

### INVITATION TO PARTICIPATE IN TRAINING AND WORKSHOPS

The MATC is coming to Southern California to deliver two workshops for the asphalt community as a follow-up to its on-site visit in early 2023. There are two opportunities for different audiences, see below for descriptions:

TITLE / DESCRIPTION	DATE(S)	HOW TO ATTEND
<p><b><u>Asphalt Pavements 101</u></b></p> <p>This session is designed for those who are newer to the asphalt community or those who want to broaden their knowledge for all facets of asphalt paving. This training session is anticipated to go from 8am - 4pm and will cover asphalt materials, production, placement, compaction, and evaluation.</p> <p><i>Virtual option may be provided however in-person is strongly encouraged. There will be very limited interaction for those who attend virtually.</i></p>	<p>January 30<sup>th</sup>, 2024</p>	<p>Register by completing the form at the link below:  <a href="https://forms.office.com/g/UeK3zCXq9g">https://forms.office.com/g/UeK3zCXq9g</a></p>
<p><b><u>Quality in the Asphalt Paving Process</u></b></p> <p>The interactive two-day workshop will cover the methods, practices, and potential benefits of a quality-focused asphalt paving program; which increases the longevity of asphalt pavements. Participants will observe the impact of applying practices that can aid in resolving State-specific issues and concerns with asphalt materials and construction.</p> <p><i>No virtual attendance planned.</i></p>	<p>January 31<sup>st</sup>, 2024 – February 1<sup>st</sup>, 2024</p>	<p>Attendance is limited for this workshop to roughly 40 participants.
