

2024 Build a Better Mousetrap Competition & American Public Works Association Sacramento Chapter Awards Lunch 'n Learn

1. Are you curious how local public agency and Tribal peers' transportation innovations and efficiencies can assist your organization to make painful tasks easier?
2. Did you know there is a federal competition that allows you to submit and share your transportation innovations and efficiencies with the opportunity of recognition for you and your organization?
3. Does your organization's management and leaders, and groundbreaking projects receive the recognition and accolades they deserve?
4. What if I told you, the American Public Works Association located throughout California will partner with, support, recognize, and celebrate your organization's management, leadership and projects.

The [American Public Works Association – Sacramento Chapter](#), [Caltrans Division of Local Assistance](#), [California LTAP](#), and the [City of Rancho Cordova](#) cordially invite you to bring your lunch and listen to our **FREE** online Lunch 'n Learn: 2024 Build a Better Mousetrap Competition & American Public Works Sacramento Chapter Awards that will answer these questions on **Tuesday, April 23rd from 11:45 am to 12:45 pm PT.**
